

Soccer coaching for both boys and girls, aged between five and fourteen years old.

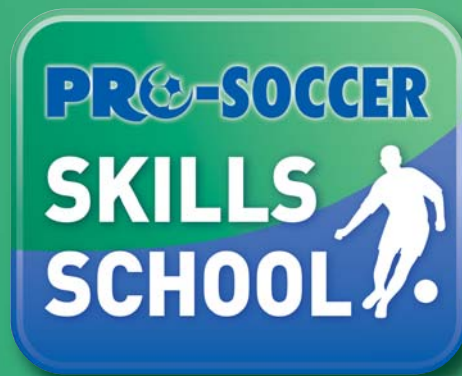

Our Skills School is a fun and innovative class designed to give children an enjoyable start to our nation's favourite game - Soccer.

The programme covers all aspects of the modern game including shooting, passing, dribbling, teamwork, and of course, skills! Developed by coaches from many different football backgrounds, we believe that our blend of games, drills, skills and fun is perfect to give that soccer mad youngster hours of great training to help them learn and improve their game.

Pro-Soccer offers child friendly rubber filled astro-grass, purpose built, soccer courts and all of our coaches have been checked for their suitability to work with children by Disclosure Scotland (or other relevant body). Furthermore, parents are welcome to watch from the sidelines or relax in our comfortable cafe / bar. Our clubhouse is equipped with changing and showering facilities along with toilets and a baby changing area.

Our programme is run in association with **Ian Robertson T/A Football Training** and this partnership benefits all children who complete each block with a Skills School training item from Umbro. Each block will include a different item to allow your child to collect the complete Skills School training outfit.
