

Our Skills School is a fun and innovative class designed to give children an enjoyable start to our nation's favourite game – Soccer. The programme covers all aspects of the modern game including shooting, passing, dribbling, teamwork, and of course, skills! Developed by coaches from many different football backgrounds, we believe that our blend of games, drills, skills and fun is perfect to give that soccer mad youngster hours of great training to help them learn and improve their game.

Pro-Soccer offers child friendly rubber filled astro-grass, purpose built, soccer courts and all of our coaches have been checked for their suitability to work with children by Disclosure Scotland (or other relevant body).

Classes will run subject to a minimum number enrolling. Terms and conditions apply.
